"Puss - will you take that paper-hat off now please - you look ridiculous. What with your ears sticking up over the top and everything -"

But you know - somehow my heart isn't in it, I just can't be stern with her... not TODAY...

Because - well, because today is a great day here at SARAH, and I'm rather ashamed to say Puss isn't the only member of staff behaving a little oddly - no, I'm afraid we're ALL finding it a bit hard to think straight right now - hey, I'm even having to type this out myself, as my able-fingered secretary has it seems decided to devote his lunchtime to getting heroically drunk in The Naked Sailor with the lads from the canteen (my God how things have changed since I first started working here -) but, hell, it does me good to get my hands dirty every so often, I reckon, and it's not as if I can't use a bloody Ypitter!

Ah, just my little joke.

And the cause of all this excitement, all this hilarity and wild commotion? Can it really just be the joys of spring, you ask, that primitive lust for life and atavistic rapture exploding within us as the morning sun comes flickering across the piazza and the sap rises to fill every vacant extremity? Well...

Oh, it's no good! - I'm afraid I can contain myself NO LONGER. Pop! (ahem... Puss! Mop that up will you...) You see - WE ARE IN THE CHARTS! No, I mean the REAL ones, the big ones, the proper, grown-up Gall-up ones... for the first time EVER we're UP THERE with the stars, mingling and rubbing sticklers with ooh - Big Fun, Lenny Kravitz, The PooH Sticks - me and Take That? We're "like that"...

And who have we to thank for this, our ticket out of oblivion? Why, none other than those crazy little folks from Down Under (hey - we could even be meeting - HIM... - you know - "I wore my coat..." bom di-bom bom bom, bom...) JOSH AND JOEL SUGARGLIDER, whose "Ahprahran" has this very week BURST its way into THE CHARTS... Come in Number 186, your time is... NOW!!! And the fact we only used to get a Top 100 rather than 200 is really quite irrelevant...
