Um - quite an important insert this, as it's where we announce THE GRAND SARAH WAREHOUSE CLEARANCE SALE. The gist is that, when Revolver merged with APT at the start of this year, all the stock that APT used to keep in York was moved down to Bristol, and this means the Bristol warehouse is now full to bursting - there is an Overflow Warehouse in Easton, it's true, but that's almost entirely full of Birdland LPs, and people are a bit frightened to open the doors. So - they want us to shift some of our stuff out - which is only fair, I guess, it's their warehouse. Our problem, of course, is that there isn't room for it all in the loft, as we don't have one.

And we can't even just throw it all away, because you're not allowed to - the Inland Revenue insist you get everything physically destroyed, with a certificate to prove you've done so - there's a place in Swindon you can pay to do this (Swindon's first positive contribution to raising the standard of contemporary pop, I feel), but it seems a bit - daft, so - we've decided instead to try selling the older records off cheap - basically all 7" up to SARAH 60. You'll find details opposite... And watch out for our next newsletter, in which you'll find details of THE GRAND SARAH BATHROOM CUPBOARD CLEAR-OUT T-SHIRT SALE - and also our Sarah Introductory Packs for new fans.
