* - SOLD OUT (sorry) (see P.S.)

All releases are 7" ONLY and include an easily assembled POSTER.

All are 3 song EPs, except SARAH 8 which is a double A side, and 11 & 12 which are 4 song EPs, so there.

All records will also soon be made available on 4 track 12", 5 track CD, 6 track cassette and single-track narrow gauge funicular with steam operation every third Sunday and limited edition gatefold 7" with real gate. No they won't. But you will have the chance to win an exciting night out in a bubble-bath with Tracey Primitive, Tracey Darlingbud or Tracey Flatmate. Maybe.

All except SARAH's 3 & 4 have Revolver/Cartel distribution (hoorah!) so should be grudgingly orderable if you stamp and pout expansively. But if you can't find them anywhere, and are truly close to tears, write to us!

Um - as a result of substantial financial losses in the all-too un-dim past, and the consequent enforced selective starvation of several of our smaller popstars, our mail-order service has been re-structured thus:

Cost per record INCLUDING p & p:

<u>HOW MANY WANTED</u>	<u>U.K.</u>	<u>EUROPE</u>	<u>WORLD</u>
1 or 2	£1.70	£2.00	more
3 - 5	£1.60	£1.90	than you
6 or more	£1.50	£1.80	think, amigo!

SARAH's 3 & 4 together are 50p and a stamp direct to us ONLY!!!

Please make all cheques and things payable to SARAH RECORDS.

P.S. You know in our first brochure, where it said 'hopefully everything will always be available on 7"'? - what we actually meant was always on 7" as opposed to 12" - and NOT "always available for ever and ever until the Day of Judgement itself arrives and this small but sometimes breathtakingly beautiful planet softly dissolves into ten trillion bite-sized lumps." Sorry, we know a lot of folk misunderstood, but we are, truly, sorry.

Gloat gloat gloat...
