I saw the sun was shining - still I stayed inside but never again
I couldn't talk to you no matter how I tried but never again
I heard a thousand voices softly in the trees but I turned away
Then you spoke to me like sunshine in the breeze but I wouldn't stay
Don't ask me to explain - I don't think I could start
The fields are burning bright and there's summer in my heart

DON'T WAIT FOR ANYTHING

DON'T MISS THE SMALLEST PART

(I know that there's more to life than spending summer afternoons with you)

THE GOLDEN SKY IS SHINING -

SHINING IN YOUR HEART

(I know that I should spend some time on all those things I used to want to do)

DON'T ASK FOR ANYTHING

DON'T SAY THAT IT WON'T LAST

(I know it's a million miles from feeling good to knowing what to say)

SUN IS TURNING CARTWHEELS RIGHT INTO MY HEART

(I know that there's more to life than this but just for now I feel OK)

DON'T SEARCH THE SKY FOR RAIN

DON'T WAIT FOR IT TO START

(In love or in despair)

CAN'T YOU HEAR THE BIRDS ARE SINGING

(You know I'll still be there)

IT'S SUMMER AT LAST
